

USE GOOD WASTE MANAGEMENT: BE HEALTHY AND WEALTHY!

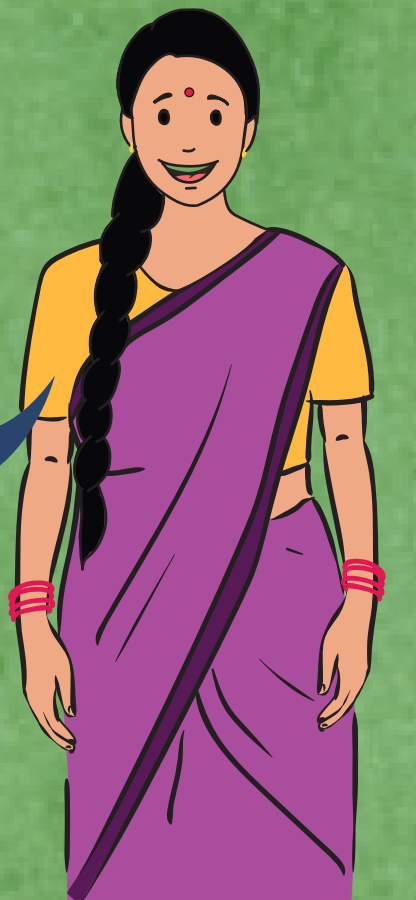

A heap of burning *kachra*, creates fire bright

The plastic fumes are toxic, this method is not right!

Plastic waste sold to the *kabadi*, veggie waste in the compost pit

This formula brings health and wealth, surely a super hit!

USE GOOD WASTE MANAGEMENT: BE HEALTHY AND WEALTHY!

Garbage scattered everywhere, the source of much disease

See the mosquitoes and flies, they breed here with ease!

The solution is simple, just think about it

Use a dustbin and soak pit, your health will be quite fit!

USE GOOD WASTE MANAGEMENT: BE HEALTHY AND WEALTHY!

In the market or the marriage hall
Scattered garbage spreads a pall!

In public places, use large dustbins
Diseases will vanish, when you throw garbage in!
